Important Note

Unless yarn specified is used, SAPROTEX cannot accept responsibility for the finished work.

Owing to printing restrictions the colour reproduction is matched as closely to the yarn as possible.

The instructions are given for one size only.

It is advised to read through the pattern before commencing to gain an understanding of how the pattern is worked.

This pattern uses UK crochet terminology.

Tension

Is not essential. As long as all squares are worked in an even tension, they should be approximately the same size.

Colour Change Note

(#) indicates when to cut yarn and/or change colour.

Change colour neatly before working last slst to join by inserting hook, using next colour, yoh and pull through a loop and pull through stitch on hook.
